“ *If we could bring you back again,
For one more hour or day,
We'd express all our unspoken love;
We'd have countless things to say.*

*If we could bring you back again,
We'd say we treasured you,
And that your presence in our lives
Meant more than we ever knew.*

*If we could bring you back again,
To tell you what we should,
You'd know how much we miss you now,
And if we could, we would."*

This is what I should have said. You were my friend when I was all alone. You didn't judge me, nor did I judge you. You will be missed and remembered. I love you. -Lydia

“ It is with a heavy heart that we send our prayers and condolences to our lovely friend Ethel and family. I know that we should never question God, but we know he needed another strong Soldier that stood tall with a cane and he chose James. Truly grateful and thankful that we became friends. We will forever cherish our last fond memories spending time with you and James two weeks ago in Plainfield enjoying every moment, chatting and laughing with every breath we take, singing and dancing the night away. Our friends who are now your friends from Plainfield send their heartfelt condolences. Ethel if you ever need anything please do not hesitate to call. May God give you the strength and peace today and the days to come. Be blessed!
