“ Bana,Where do I begin? There are no words to express the love The Rosas Family had for you. When Deac and I found out I was pregnant with Malachi we instantly thought of you to be his Godmother and when we asked you didn't hesitate in saying "of course baby". Then when I was pregnant with Micah you automatically became his Godmother too. Whenever you saw me fussing with the kids in church you would walk over and say "you want me to take them baby". You were the sweetest and loving person I know. You were Pastor's right hand woman and would do anything for him so I'm not sad because I know you're up there with him fussing and getting his tea. We Love You Bana and see you later. Deacon and Deaconess Rosa as you would call us :)

“ To the family! I became to know Ms. Barbara years ago though my great aunt Elmarie Watts in Passaic NJ and Bernard Spencer if Bath NC. She became my aunt Barbara and we were family. When my great aunt and Minnie came to Keystown where my aunt was born and raised so did she. We always sent them back to NJ loaded with all kinds of goodies and we so enjoyed doing it. She was the life of the party. Family find peace in knowing she\u2019s alright now. \u201c To Every thing there is a season and a purpose under the Heaven\u201d
