

Belen E Polanco

June 28, 1917 - April 12, 2015

Belen Bido-Polanco was born in San Francisco de Macorix, Dominican Republic on June 28, 1917. She had one sister. She was married to the late Ramon Polanco at the age of 16. By the age of 19, she gave birth to her first daughter. She moved her family to Santo Domingo, Dominican Republic where she lived until the time of her passing. She was a devoted wife and mother who gave birth to ten (10) children. One of her passions was gardening where she spent many hours tending to flowers, especially her favorite flower, the rose. She enjoyed sewing and many times you would find her re-attaching buttons or repairing holes in everyone's clothing. Distance was not a factor for her to be away from her family. She enjoyed traveling between the Dominican Republic and the United States, visiting her children and grandchildren. She made sure to split her time between countries to ensure that everyone knew they were loved. She was a woman who was always happy and jovial. She made sure to spread cheer to everyone she encountered. To her, everyone was family - she never made a distinction. No family engagement was ever missed. She was always in attendance to all her children's and their children's life events with an ice cold Corona by her side. She was the life of every family gathering. She was a ray of positivity and she never let life get in the way. She lived an exemplary life. In truth, she was the matriarch of the Polanco family. She will truly be missed by...
