“ *Wow Cousin Betty Jean, my heart was sadden to know of your passing and now it's sadden again to hear your brother Jimmie and my cousin leaving us on February 28, 2022. There's so many of us here for the family sending our condolences and prayers. This is the day that our Lord has made. Let us rejoice and be glad in it. The Lord has spoke and has taken but you and Jimmie home. As you both come together again tell all our family there with you that we love them and missed them all.*

I reached out to your husband James when we lost you and sent my condolences and prayers. But today, I wanted to cherish my memory of you and as an Anniversary.

You will never be forgotten. When you lived in North Carolina, I remember when we used to go across the road to the Creek or Stream to get buckets of fresh drinking water. I'd never forget those day.

Nevertheless, Continue to Rest In Eternal Heavenly Peace Cousin.
