“ *Our most sincere condolences to Tammy Edwards and the entire Edwards family for the passing of dear Carol. You have a beautiful angel in Heaven who the Father called to be with him. We unite ourselves with you during this difficult time and we pray that The Lord gives you the reassurance that she is in the arms of the Beloved and gives you peace and consolation. “ *I've known you a very long time but we spent very little time together and the time that we spent together was worshipping the Lord and no matter how much time you spend with someone its more about what you did during that time and what I know you for and have always known you for is to be a very spiritual person that always let her light shine and what a great memory to have of you I will always cherish that... I know now if nothing else that you are at peace something that I felt from within...rest now... I know that you are in great handsCindy J W*

“ Out of all the lifetimes, I am beyond blessed to be able to be living in one in which I was able to know and love you. It seems impossible to find just the right words to describe you, but what I can say is that your laugh was contagious and combined with your smile, capable of lighting up an entire room. Your love was and forever will be authentic, unapologetic, and unconditional. You constantly inspired me (always will) and your unwavering faith and love for God were undeniable. You lived your life honestly, courageously, and patiently, always taking the time to stop and smell the roses along the way. I am so grateful for your love and light that you poured out onto everyone around you, including me. I will always love and miss you and be forever grateful for you. Love, AJ
