Dean Page

November 5, 1955 - May 3rd, 2020

Dean Michael Page was born November 5th, 1955 to the union of the late Hobart L. Page and Vernita Hill Page in Passaic, N.J..

Dean started training in the Air Conditioning/Refrigeration Business when he was 8 years old. Every Saturday, his "Uncle Lee" (who was like a father to him), would pick Dean up and train him on the craft. By the time Dean was in high school, he was a Pro. A jack of all trades, Dean was good with his hands and could fix "anything".

In addition, Dean graduated from Passaic County Technical and Vocational High School in 1974 earning a diploma in Air Conditioning and Refrigeration.

Dean loved jazz, listening to Jazz Greats such as John Coltrane, Pharoah Sanders, and Freddie Hubbard. He also played a variety of instruments, including the flute, bongos, and clarinet.

Dean was well liked and is survived by three beautiful daughters, Tynichia Stevens, Kadeana Page, and Jessica Page - along with their mother (the love

of his life), Priscilla White. One Son in Law, Haikeem Stevens. Three grandchildren, Jordan, Brooklyn, and Elijah.

Other family members include one sister, Michelle Page. One Step brother, Chuckie Nelson. One God sister, Andrea Dupree. One Uncle, Issac Page. One Special Uncle, Anderson Lee. Three Special Cousins, Gregory Moore, Marlyne Page, and Warren Jordan; as well as, many cousins and friends.
