A Better Place

*She's in a better place right now
Than she's ever been before;
All pain is gone; she's now at rest;
Nothing troubles her anymore.*

*It's we who feel the burden of
Our sadness and our grief;
We have to cry, to mourn our loss,
Before we get relief.*

*We know we'll reconnect with her
At the end of each life's road;
We'll see her cherished face again
When we release our earthly load.*

“ *Family, Sometimes its hard to feel the Almighty's presence in the midst of difficult times but I want to remind you that is why he gives us someone's hand to hold, a shoulder to cry on or a comforting hug.*

In your time of sorrow I'm sending my thoughts and prayers as a way of us connecting in a circle of faith and hope.
