“ Sincere and heartfelt condolences to you the Lee family. I have so many wonderful and fond memories of our dear "sister" Joanne growing up together. Being raised on Hudson St in the Riverview Terrace, we are family! From you keeping an eye on us and teaching us as we played Hopscotch, Double-dutch, kick-ball etc., sleep-outs in the circle, bbqs in the playground to being our counselor at The Boys Club, to me looking out for Kee-Kee as she played with my little cousin Morra. We certainly have history! We stand with you as you navigate the road through this most difficult time. We are here to support, encourage, pray for and with you. We are family #HudsonStStrong Hazel Harding and Family
