BIG Ed we the Junkmen of Passaic Clifton Garfield Paterson etcetera all loved and respected you! RiP and my condolences to your family. I must share the July 2012 story of meeting you! Big Ed busted my chops about Junkmens turf and that from Newark to Wayne was his turf! Well I was just a can-men then & knew Ed was kidding then we started talking about life & work. He was drinking a huge Coors Banquet out of a can and as I left he gave me his can! I miss Ed a lot and we became friends business partners coworkers and brothers! Thank you and you were cool because you were always being yourself and true!
