“ *My deepest condolence to Esther's Family. I was so sorry to hear of her passing. Esther was a great person, great colleague, great friend and an AWESOME PERSON!!!! God is holding her in his arms. She will be truly missed. Whenever we would see each other, we always greeted each other with a big smile laughing and saying, "Hey Mitch" (because we have the same last name - no relation). Esther is a beautiful person inside and out. May God give her family the continuous strength to deal with her passing. My prayers go out to her family. Esther rest in peace. God Bless, your friend "Mitch"*
