“ *Tiffany mcrae posted a condolence If I could just start out by saying how beautiful of a person you were from the inside out Aunt Frieda. I am glad to have experienced your presence and you won't be forgotten. I know what it's like to be close to your sister.....so for that I admire you my aunts, and my grandmother. It was a beautiful relationship to witness your sisterhood. To be absent from the body is to be present with the lord. May God bless our family. Love Tiffy*

“ *Lacrecia posted a condolence Aunt Frieda , you have done what our Lord and Savior has commanded us to do. To love one another as he has love us. In every way you have demonstrated loving Thy neighbor as thy self. Living and walking your life’s journey with the fruit of the spirits in place. You have taught us all well now you have passed the torch and it is left to us to carry on in God’s Grace the Grace that only he can give! We are truly blessed to have had you in our lives as an earthly angel now you are our angel with your wings in heaven.” To God Be The Glory “*
