“ Our condolences to the family on the passing of "Broadway". We know that death is only the end of our physical life and the beginning of an eternal life. Absent from this body but present with the Lord. May the love and mercy of our Heavenly Father be bestowed upon you and the family during this time of bereavement. Always in our prayer.

“ Uncle Jim, you've left us now to be received in a far better place. I'll never forget being on Beech street and knowing when you were coming, nobody whistled like you, and nobody I knew had any bad to say about Broadway. R.I.L.
