“ *Dear Johnny,*

We were close friends in your teens and early twenties. Then God brought us together again later in life. You had a heart of gold and respected all that respected you. I knew whenever we were together you had my back and I had yours. You never started a fight but never backed down from anyone regardless of their size. You were a great friend throughout the years and I will miss you. We lost a friend and Kenneth Jackson has you back as a friend again, together in eternal peace. Luv Ya Johnny -

“ Johnny, we hadn't seen each other for quite some time, but it doesn't mean I haven't thought about you! I am so sorry we didn't spend more time together, but you are now in great company. I know you are with God and all our family that have gone before us. I know I will see you again when my time comes, and we will all be together having fun again. I love you!
