“ *To the Miller Family and Pedro, It is with a sad Heart I send my heartfelt condolences Karen was like a sister to me and my Family .Her beautiful Smile shall always be in my memory of her .Gone too soon seem to be a common thing now .During these very uncertain times , we must remember .Who we are ,who has touched our lives , who has made a difference in our life .Karen did and has made a difference in my family I know she made a difference in her family and friends lives .Her kind hearted disposition was natural, a good soul .With these work I say on to you all , Karen soul is alright with this .Karen is at one with her belief in God. She shall walk beside the still waters in the garden. Her garment following in the wind, Her name announced by the Angels .Travel well my sister , I will set with you one day by the waters and have lunch .God has Blessed Karen , May a flock of Angels carry her to her rest .Amen ,*
