“ *I am gonna miss you so much, Unk. I was with you until the very last moment and I will cherish all the time you, I and the kids have had together. My only regret is thinking that you would be here forever- you were suppose to be. I'll always love you. Baby is gonna miss you. She asks for you every single day. I can't believe I'm even writing this, but I know you're not tired anymore.*
