“ Dear Hooks family, Please accept my deepest condolences for your loss. I can only imagine what you are feeling. I want to only share with you a lovely scripture that has helped me cope with difficult times. You can find in at Acts 24:15, where it says- \u201cAnd I have hope toward God, which hope these men also look forward to, that there is going to be a resurrection...\u201d Jehovah God makes this promise and his promises always come true.
