“ *My sincerest condolences Nate and Erika. It's been a long time that I had last seen your mom but I remember all of the smiles and warm greetings she gave me throughout the years I grew up next door. May she forever rest in peace.*

“ *Erika & Nat. my thoughts and prayers are with you during this difficult time. Your mother was a sweet and loving cousin to me. I appreciated her so much because she had a special relationship with my mother. We share your grief and we will miss her but never forget her. My prayers are for God to comfort you and give you the peace, strength and courage you need in the midst of your loss. Isaiah 41:10 tells us not to fear or be afraid because he our savior is with us.*
