“ Paul you were one of the sweetest people a person could ever meet. I've known you since you were a small boy. You were funny then and you were funny up until you took your last breath. I am truly going to miss your smiling face and the silly things you and Reshandt always joked about that made me laugh. You are in God's hands and you could not ask for a better place to be. Family stay strong. Paul would not want you to be sad. Think about how he was, and you will be always have a smile on your face. Praying for all of you. 🙏🙏🙏
