“ *Dear Mary, This is Benee'. I used to live in NJ and worked with your brother Darryl at a now defunct company called Vidikron. I was googling your name to hopefully get in touch with you and reconnect and I stumbled upon Rashon's obituary. I am deeply shocked and saddened to read of his passing. When the opportunity presents itself please reach out to me at iambenee@gmail.com. I look forward to hearing from you soon. God's blessings to your family.*

“ *To the Munk family, I would like to express my deepest sympathy and condolences during this time. God promises a time when “death will be no more.” (Revelation 21:4) The Bible often compares death to sleep and also teaches that God can awaken the dead from sleep and give them life again. May you find encouragement in the resurrection hope (Acts 24:15)*
