“ To Charlotte & Family: My heartfelt sympathy to you and the entire family. We met on East 31st Street and became family. One of my fondest memories of your mother was her sitting on the porch with baby Phillip tucked by her side always pulling on her ear! It didn't matter if we were coming from school or going to the store, she always greeted us with that loving smile and a wave, a smile that always brighten your day, but most of all your heart. She will forever be part of my childhood and will always remain a part of our family. May she smile with the Angels and watch over us always, May God give you the strength and understanding and the desires of your heart. With sympathy and prayers, Thomasenia, Brunell & Anethia Daniels
