“ *You were taken too soon from us and how I wish we could have you back! I know you will stand by Abuelita's side as you did when you were alive and I know you will watch over her and protect her. I'll always keep you in my heart, my one and only Abuelito. I love you and all my memories of you and of us will be buried deep in my heart! Rest peacefully angel. Abuelito, I love you always and forever!*
