“ *Compadre...I know you are finally at peace with the woman who stood by you throughout her lifetime. She was there in the good times and bad...but always by your side.*

You were a hard person to get along with, but that was because you told people the truth. People don't like to hear the truth...that's one thing I admired about you.

You raised three fine children the best you could with the resources within your reach.

I will miss our chats. You finally admitted to being a hard person to get along with, that was no easy task for you. Now you can rest easy and be with the love of your life.

My sincerest condolences go out to Cubie, Wayne and Laly. Hugs
