Stella Margaret Cadogan was born on the 11th of March 1950 in the beautiful island of St Georges Grenada to the late Percival and Margaret Joyce Cadogan. She was the second of the couple's four children, Carolia Cadogan, Patricia Douglas and Andre Cadogan.

Stella will be lovingly remembered and missed dearly by her daughters Leisa Forde Carvalho, Kerry Grant and Naisha Cadogan. Her niece Camille Cadogan-Dennis, nephews Randy Cadogan and Allen Douglas. Her grandkids Kiara Forde Carvalho, Daniel Carvalho and Nylah Wildy. Great aunt to Marcus Dennis, Makayla Dennis and Victoria Cadogan. Mother In Law to Milton Carvalho, Kurt Wildy and Aunt in Law to Marlon Dennis. The adopted parent to Avril DeSuze and adopted grandparent to Jameelia DeSuze.

Stella lived in Trinidad from 1952 to 1990, where she lived an impactful life, she was a very giving woman, with many gifts and talents. She devoted much of her time in service to those who needed her.

Stella became one of the first groups of Women to drive PTSC buses in

Trinidad from 1983 to 1990. She later migrated to the US where she worked in the Health Care field. After retiring she continued to devote much of her time and energy caring for her great nephew and two additional kids, Kelvin and Jayden.

Stella was the life of the party, who had a heart of Gold and we were all blessed to have been sprinkled by her. She would have given you her last, always saying God would provide, worry only about today for tomorrow will take care of itself.

Stella lived a great life and was away surrounded by family and friends she loved, her memory will live on.
