I'm so sorry for the family, I can't imagine what they're going through. I personally had the pleasure of meeting and speaking with this young man. God's love, blessings and strength be with them all.

Steven was known for his kindness, enthusiasm, sense of humor, and entrepreneurial spirit, and his presence brought joy to both peers and teachers at Classical Academy. He will be deeply missed by our entire school community.

I will always remember his smile and the energy he brought to school every day. The design he came up with for the class of 2025 will hang in the cafeteria and remind us of him for years to come. I send all my prayers to his family in this trying time.
