“ Sue, I am so heartbroken!!! You always had a smile when you would see me. I am so happy that I was introduced to you by our loving friend Joyce Ellen almost 40 years ago. I will always remember the times we talked on the phone, and I will definitely always remember the good times we had with the Ellen family. I Also will remember the good times we always had at the club in Irvington. You were always holding "COURT" 😊. Now you are holding court in heaven. Rest In Our Lord's Heavenly Arms. You will be missed by me and so many people. I will remember you always.

“ My first memory of Sue was the day she came to School #11 office and told me to get Joyce to the office, her cousin was there. Of course I got Joyce for her. It has been heart warming knowing there is someone who cared and went that extra mile for her, Joyce never missed a beat. But, I'll never forget her telling me everytime she saw my daughter that she was going to take her as her own. Sue will be missed. Always Joanie
