“ Sending an abundance of love and so much more as we (the White family) try to digest the loss of one of the "Great Ones"... At a complete loss for words but I have every single birthday/mother's day card and there are plenty, to remember Ms. Dye. She was a gem. Rest on with the angels as you now have your wings to soar through eternity above the clouds in that place called heaven.From my heart and on behalf of the White family, to the Dye family...
